# AOFOG EDUCATIONAL FUND 50TH ANNIVERSARY PROJECT

TEAR HERE ✂

As AOFOG approaches its 50th year of existence, it stands committed as ever to improve women's health throughout the region.

EDUCATION remains the main thrust of the Federation. AOFOG's recent seminar-workshops have centered on safe motherhood and reducing maternal deaths due to Postpartum Hemorrhage (PPH).

AOFOG continues to hold workshops in Obstetrics and Gynaecology, Ultrasound, Endoscopy, Urogynaecology and Oncology in the different member countries of the Federation.

To keep up with its educational goals, the AOFOG launches its 50th Anniversary project, the AOFOG Educational Fund which will run for two years (January 2007 - up to 2009 Congress) and the target is to generate a US\$1,000,000.00 fund.

The Educational fund will be used to conduct more workshops and seminars throughout the region and, by doing so, the **AOFOG** aims to:

- ◆ Reduce maternal deaths by 25% in 2015,
- ◆ Reduce cancer of the cervix through HPV vaccination and
- ◆ Improve women's access to health care

The names of all donors will be listed under an "electronic time capsule" that will be published in the AOFOG website

[www.aofog.org](http://www.aofog.org)

in appreciation of the donation given.

## AOFOG needs YOU!!!

LET US ALL MAKE A DIFFERENCE!

Participate in the AOFOG Educational fund and create a legacy for future generations
